Mr. J. C. Collier

Dear Sir:

Haven't heard from you in a long time and so I am droping you a few lines. This leaves all well and up and doing fine. Our oil is still doing fine we got in two new wells last week. and we are fixing to drill another new one. All of the children are going to school. Mother and the children have planned a big trip to California this summer I

would like to go. But I have so much business to attend to until I cant get off. I will close for this time will write more next time

Yours truly
Otis Lee Jackson.
